## Regional Map

A wide-angle view from the driver's seat of a car, looking out onto a busy city street. The street is paved with cobblestones and has a wide pedestrian crossing. On the left, there is a large, multi-story brick building with many arched windows. On the right, there is a large, classical-style building with columns. The street is filled with people walking, and there are several cars and a red double-decker bus in the distance. The sky is blue with some light clouds. The text "Thank you @KulveerRanger" is overlaid in the center of the image.
